

Data Science

Week 38

KEA – Data Science Elective PBA – Fall 2019 – Henrik Strøm

September 19, 2019

COPENHAGEN SCHOOL OF DESIGN
AND TECHNOLOGY

Assignment

Assignment: statistics and visualization

Given the dataset in the file `stud-stat-anonymous.csv`, you must do the following:

- Reorganize the data so it is suited for analysis
- Present the dataset using descriptive statistics
- Use appropriate visualizations to present the dataset

Present in groups next week.
